WHAT IS A HEALTH REIMBURSEMENT ARRANGEMENT?

Health Reimbursement Arrangements, or HRAs, are widely used by employers to help employees manage out-of-pocket medical expenses (i.e. costs not covered by your group health plan). Employers have tremendous flexibility in the HRA plan design, but these plans often reimburse deductibles, copays, coinsurance, and prescription out-of-pocket costs.

Please consult your HRA Plan Document and/or Summary Plan Description for full details on your employer's plan.

ENROLLING IN YOUR HRA

HRAs are typically tied to the group health plan offered by your employer, so when you enroll in your employer's group health plan, you will also complete the Health Reimbursement Arrangement Enrollment Form. Please see your employer for specific details regarding your eligibility for enrollment.

You may also contact our Benefit Success Team at **877.769.3539** for enrollment assistance.

The specifics of each HRA account offered will be detailed in the Summary Plan Description (SPD) or Summary of Benefit Coverage (SBC) provided by your employer.

THE MOBILE APP

FIND THE “Primeflex Mobile App” IN YOUR APP STORE

Accessing your account through our Mobile App

Our PrimeFlex Mobile App provides a single access point to manage your account from your phone or tablet. Via the PrimeFlex Mobile App, you may submit claims and upload receipts (saved as picture images on your phone) as substantiation for your claim. You may also access detailed account information including account balances, recent activity, recent communications, or contact your Benefit Success Team directly.

Your PrimePay FLEX Card

Paying with your PrimePay FLEX Card

You may receive a PrimePay FLEX Card when you enroll in an HRA. In some cases, this card can only be used at a pharmacy to purchase prescriptions. However, depending on your plan design, the debit card may be used at medical providers. Use of the PrimePay FLEX Card will eliminate the need to submit a manual claim for prescriptions, although in many cases substantiation will still be required for medical services paid for with the card. PrimePay will notify you if substantiation is required. For more information please refer to your plan documents.

Submitting Manual Claims for Reimbursement

When you need to file a manual claim for reimbursement, the easiest method is through the Participant Portal or PrimeFlex Mobile App. If you do not have access to the app or the internet, you may submit a paper claim. A request for reimbursement may be filed at any time during the plan year and run-out period. Please do not send duplicate claims.

TIP It is very important to retain your receipts for all of your HRA transactions.

Here is an example of a typical manual claim reimbursement:

1. You will receive an Explanation of Benefits (EOB) from the carrier detailing the service that was received. The provider will also receive a copy of the EOB, showing the negotiated rate, and the amount they can bill you.

/ See pages 10-11 for sample EOB form /

2. If you have incurred an expense reimbursable through your HRA, file an online or paper claim with PrimePay; be sure to attach the EOB and all other supporting documentation.

3. If approved, a check will be mailed to your address on record, medical provider on record (Provider Pay), or direct deposited to your account on record. When you receive an invoice from your provider, pay them as you normally would.

4. If denied, no disbursements are made from your HRA and you will be responsible for paying for the medical expense by some other means.

5. Be sure to check that the invoice from the provider matches the EOB from the insurance company.

Below is a quick Claims Reimbursement Checklist:

- My claim is for the current plan year.
- I have incurred an eligible expense.
- I have filled out the Claim Reimbursement form in its entirety.
- I have attached all supporting documentation for the expenses incurred.
- I have not submitted this claim before.

Online Claim Submission through the Participant Portal:

1. Login to the Participant Portal, click on the **“My Accounts”** tab and select **“Request Reimbursement”**. Click the **“Add New”** tab and enter your claim information for each individual expense for which you are requesting reimbursement. Be sure to choose the appropriate account type when submitting your claim.
2. If you are able to scan your receipts, you may upload those directly by using the **“Browse”** button. If you are unable to upload your receipts, print the Receipt Submittal Form and fax/mail it along with your substantiation material once you have submitted the claim.
3. Read the Claim Certification and confirm you agree to the disclaimer by checking the box under **“Certification”**. Click the **“Submit”** tab at the bottom of your screen to complete your online claim submission.

Paper Claim Submission

1. Fill out a **“Claim Reimbursement”** form provided by your employer or available on our website at www.primepay.com (navigating to **“Resources”** and clicking on **“Forms”**, and then selecting **“Pre-Tax Benefits Forms”**). Please provide all necessary information related to the incurred expense.
2. Include all proper documentation in order to substantiate the incurred expense (i.e. EOBs, itemized receipts, invoices, etc.). Voided or cancelled checks, credit card statements, and balance owed statements from a provider are NOT acceptable forms of documentation.
3. Submit the claim form and proper documentation to PrimePay Benefit Services by email, fax or mail.

TIP It is very important to retain the receipts for all of your HRA transactions.

Your plan may have been set up to mail payment directly to your medical providers of service. To take advantage of this, check the **“Pay Provider Directly”** box on the claim form and fill in the appropriate information. Attach the medical invoice to the claim form and we will take care of the rest!

What happens next?

Once we have received your claim, we will substantiate it. It is important to note that PrimePay Benefit Services must follow strict procedures according to IRS regulations in substantiating a claim. Neither PrimePay Benefit Services nor your employer can offer exceptions. If your claim is approved, PrimePay

Benefit Services will issue reimbursement. If you are set up for direct deposit, your reimbursement will usually be posted to your account the day after the file is processed. If you are not set up for direct deposit, a paper check will be issued and will usually arrive in about 7-10 days.

If your claim is denied, no disbursements will be made from your HRA account and you will be responsible for paying incurred expenses by some other means. If you feel your claim was denied in error, you may submit an appeal.

For more information about appeals, please contact our Benefit Success Team at **877.769.3539**.

TIP

It is your responsibility to comply with these guidelines and to avoid submitting duplicate or ineligible claims. Failure to comply may delay payment and/or could result in IRS penalties if audited.

FREQUENTLY ASKED QUESTIONS

Q: What online capabilities do I have?

A: Our online portal is very comprehensive. You can check your balance, file claims, view pending or past claims, add a checking/savings account for direct deposit, if applicable, opt-in/out of email communication, and much more. If you need help setting up your account please contact our customer service team and they will be happy to help.

Q: Can I participate in the HRA if I am not enrolled in my employer's health plan?

A: In most cases no, depending on how your plan is setup. For more information please refer to your Plan Documents or contact your Employer.

Q: What happens if I terminate during the year?

A: There will be a period of time after your termination for which you may submit claims for expenses incurred prior to termination. In some cases,

COBRA must be offered, which if elected will allow you to pay premiums in order to remain in your HRA and make claims against it.

Q: Will I ever have to pay taxes on the money I am reimbursed?

A: You will not have to pay taxes on any amount reimbursed, unless more is dispersed than allowed.

Q: What happens if I incur an expense towards the end of the year?

A: Following your last day to incur claims in the Plan Year, assuming you have a high enough balance, you will have generally 90 days to submit expenses for that plan year. This is known as the Run-Out Period and is an option selected by your Employer. Please refer to your Plan Documents.

Q: If I have an HSA, can I still participate in the HRA?

A: Only if the HRA is established as a Post-Deductible or Limited-Purpose HRA. A Post-Deductible HRA may not reimburse any deductible expenses until the minimum (Federal COLA limits) QHDHP deductible has been satisfied. A Limited-Purpose HRA may only reimburse vision, dental and preventative care expenses.

Q: If I have an FSA, can I still participate in the HRA?

A: Yes, these two Plans are implemented or work well together all of the time. In no case may you be reimbursed for the same medical care expense by both an HRA and a Health FSA. If coverage is provided under an HRA and a Health FSA for the same medical care expenses, please check your plan documents for ordering rules.

Q: How do I unlock my online account?

A: Your account may be temporarily deactivated after entering an incorrect password over 3 times. To unlock your account please call our Benefit Success Team during normal EDT business hours at **877.769.3539**.

Q: Can I contribute to my HRA on top of what my Employer has?

A: No, an HRA is a 100% Employer funded benefit.
